ENMP 671-B	Research	3	36 APPROVED CREDITS & ENMP 670
	Total	6	
Total credits		42	

- Language skills in English and in Spanish will be assessed with a placement test. Additional language courses may be needed according to the student's proficiency in each language. If students qualify for Preparatory Language Courses or developmental Language Courses, they must enroll in the courses immediately to increase academic performance in the language. These courses will not be counted towards the total amount of credits for the degree.
