As part of the AGMUS Institute of Mathematics and the SUAGM SACNAS Chapter dissemination and outreach component to motivate high school students to select mathematics as their major in college, on October 26, 2012, Dr. Luis de la Torre, Professor of Bio-Mathematics, Wanda I. Rodriguez, Coordinator and Bio-Mathematics Scholars implemented a “MATH DAY 2012 AND OLYMPIAD” in Calvin School, Inc. I at Carolina, PR. In this activity forty-two (42) students attended and twenty-one (21) took the Math Olympiad Exam.

During the Closing Ceremony, Prof. Luis de la Torre presented award to the three best performers of the Math Olympiads:

**First Place:** Paola Nevarez  
**Second Place:** Jesus Acosta  
**Third Place:** Jonathan Fleches
