The Foundations Component is a beginning series of courses and/or seminars to lay the foundation on Economics, Finance, Statistics and Accounting for students without any business background. Some or all of these foundation courses could be substituted by previous undergraduate courses.

It is recommended that the student completes the Foundations Component prior to course enrollment. A business ethics course (BUSG 525) and international management course (MANA 618) are required for students without approved equivalencies.

†BUSG 505 requires 45 contact hours and has 12 core credits and 9 specialization credits approved as prerequisite.

*BUSG 651 has BUSG 505 course approved as prerequisite and ACCO 628 has ACCO 515.
