The Foundations Component is a beginning series of courses and/or seminars to lay the foundation on Economics, Finance, Statistics, Business Law and Accounting for students without any business background. Some or all of these foundation courses could be substituted by previous undergraduate courses.

# It is recommended that the student completes the Foundations Component prior to course enrollment. A business ethics course (BUSG 525) is required for students without an approved equivalency.

†BUSG 505 requires 45 contact hours and has 12 core credits and 9 specialization credits approved as prerequisite.

\*BUSG 651 has BUSG 505 course approved as prerequisite.
